# CALL FOR INFORMATION

Southern IFCA
Inshore Fisheries and Conservation Authority

## Year 1 Review: Black Seabream Co-Developed Principles

**Southern IFCA are reviewing the Black Seabream Co-Developed Principles following the Year 1 breeding season**

**We are seeking input to this review from all fishers, recreational & commercial, across the District and the wider stakeholder community**

**This review will consider all relevant feedback, input and evidence from the stakeholder community on the Year 1 implementation of the Co-Developed Principles to support a continued adaptive and co-development approach to management & furthering understandings of black seabream & related fisheries**

### We want to hear from you:

- Feedback or comments on any of the Co-Developed Principles
- Feedback on engagement in the fishery in Year 1
- Any thoughts on data collection, and any suggestions on how Southern IFCA could support fishers to provide data in Year 2
- How can Southern IFCA help with engagement and providing information for Year 2?
- Any data you have on your fishing or black seabream catches from Year 1

**plus any other information or evidence that you would like to share with us!**

**More information on the Black Seabream Co-Developed Principles can be found on the Southern IFCA website using the QR code or at www.southern-ifca.gov.uk/black-seabream-fisheries**

### How to Participate

**You can participate in the Call for Information for the review in one of these ways:**

**Speak to our Officers at sea or on the quayside**

**Email us at enquiries@southern-ifca.gov.uk with the subject 'Black Seabream Review'**

**Phone us on 01202 721373 and we can arrange for an Officer to speak with you**

## The Call for Information is open until Friday 8th January 2027
