CALL FOR INFORMATION

Southern IFCA
Inshore Fisheries and Conservation Authority

Following a review of feedback from Community Drop-In Surgeries held across the District & the implementation of the Black Seabream Co-Developed Principles for the first breeding season in 2026, Southern IFCA are running three Calls for Information to provide opportunities for all stakeholders to input comments, ideas, information or data to help understandings of the relevant fisheries & the needs of the stakeholder community

Review of Pot Fishing Management

Southern IFCA are reviewing management for pot fishing across the District to support sustainable fisheries

Year 1 Review: Black Seabream Co-Developed Principles

Southern IFCA are reviewing the Black Seabream Co-Developed Principles following the Year 1 breeding season

Review of Minimum Conservation Reference Sizes

Southern IFCA are reviewing minimum conservation reference size management for species in the District

How to Participate

For more information or to participate in any of the Calls for Information, please:

Speak to our Officers at sea or on the quayside

Email us at enquiries@southern-ifca.gov.uk

Phone us on 01202 721373 and we can arrange for an Officer to speak with you

Visit our website using the QR code or at www.southern-ifca.gov.uk/live-consultations

All Calls for Information are open until Friday 8th January 2027

Southern IFCA endeavours to ensure that all documents are as accessible as possible. If you require any additional support to access call for information documents, please contact us at enquiries@southern-ifca.gov.uk or on 01202 721373 and we will do our best to assist you.
