

Make: Claas

Model: Liner 3600

Year: 2018 Build (2019 Model & Supply).

- Only 522 hours.
- Alliance 620/40 x 22.5 floatation tyres - 80%
- 9.9M to 12.5M work width (hydraulically adjustable).
- 4 rotors with 12 tines per rotor.
- Individual rotor lift.
- Manual rotor height adjustment.
- 3M transport width.
- Claas operator control box (or isobus with new cable purchase).

**Excellent, low houred rake throughout - certainly not your average 2018 4 rotor rake.
Really nice machine.**

£30750.
