

TECHNICAL SPECIFICATIONS

Magnification	10x	20x	25x	50x	100x
Field of view	40	20	16	8	4
Working Distance	80	82	70	53	43
Maximum work dia (full field)	184	184	184	184	184
Maximum work dia (half field)	179	176	181	147	122
Maximum work piece height	185				

Code No.	Description	Magnification	Functions	Price
R400-XLS	Horizontal projector with QC100 two axis digital readout	10x lens	Basic X Y readout with inch / mm conversion	POA
R400-GXL	Horizontal projector with QC200 geometric readout	10x lens	As XLS with Geometric Measurement functions and tolerancing	POA
R400-FT2	Horizontal projector with Fusion 2D Touchscreen DRO	10x lens	Windows Touch Screen SW with full reporting	POA
R400-FT2-E	Horizontal projector with Fusion 2D Touchscreen DRO & optical edge detection	10x lens	As FT2 with optical edge detection	POA
