

## PRIVACY POLICY

At Modus we use cookies to give you the best possible experience on our website.

[Learn more about cookies](#), or [read the procedures](#) to turn off cookies within your browser.

\* Please remember that cookies are often used to enable and improve certain functions on our website. If you choose to switch certain cookies off, it could affect how our website works.

A computer "cookie" is a small piece of information that is stored by your browser on your computer's hard drive or temporarily in your computer's memory. The Company uses temporary cookies to identify your current session when you make another request in the same session.

The browsers of most computers, smartphones and other web-enabled devices are typically set up to accept cookies. If you wish to change your cookie preferences for this website or any other websites, you can do so using your browser settings. Your browser's 'help' function will show you how to do this. Most browsers will usually allow you to change the settings of your browser so that it does not accept cookies but if you do this it may impair the operation of the Site.

For more information please go to [www.youronlinechoices.eu](http://www.youronlinechoices.eu) - the guide to online behavioural advertising and privacy. This website is operated by the Internet Advertising Bureau (IAB) - the industry body for online advertising.

On here you'll find information about how behavioural advertising works, how to opt out, further information about cookies and the steps you can take to protect your privacy on the internet.
