## DELIVERY

Delivery will be made on the day that you wish to consume the meal. We will give you a window for delivery. Please inform us on booking what time you plan to eat so that we can ensure it reaches you in good time. We recommend that the meals are kept refrigerated until you are ready to heat them through (they are stackable to fit in the fridge).

Delivery is free of charge within the Bristol area provided that a minimum order of £15 is spent. Deliveries outside the Bristol area will incur a delivery charge. The £15 spend is across our entire current menu range (so for example you could order some Frozen Meals or an Afternoon Tea as well).

Multi Drop deliveries are available at no extra charge if you would like to provide any of your friends / family with a Roast Dinner Meal to eat at the same time (maybe set up a Zoom call?).

We are able to cater for special dietary requirements, please inform us of any special requests and allergenic details when booking and we will adapt your chosen menu accordingly.

Gluten free / dairy free /vegan can be provided on request.

Please indicate if vegan at time of booking and we can adapt the vegetables to be vegan friendly.
