

Afternoon Tea Buffet Menus 2025

This style of menu and the prices quoted below are whereby the food is presented on buffet style 'sharing platters' for guests to help themselves.

The buffet afternoon tea food is served on china platters and cake stands.
If you would prefer a style of afternoon tea whereby the food is served in the middle of small tables where the guests are sitting, then this is feasible but there are additional charges incurred to cover the extra work involved.
