

MAGUIRE BOATS EXOCET INT MOTH Price List 2018

All Exocets come as standard with a Harken fit out with a four cleat deck layout:

- Two cam cleats for the kicker and Cunningham and
- Two clam cleats for the adjustable wand and gearing.

Boats come with fittings fitted to the hull and rope comes complete in rope kit. The remaining fittings to complete the standard fit out are supplied.

The boat is supplied with one set of foils of your choice. This includes the new rudder with titanium bulb, allowing the horizontal to be changed or removed for shipping.

All boats are supplied with the foils and gantry individually fitted and set up to the correct angle of attack.

Boats can be roped up and ready to sail at an additional cost.

All Exocets come with a 12 month warranty, details can be found on the website.

We will provide first class after sales for spares and upgrades. We provide regatta support at the main international events to keep you on the water.
