

Maguire Boats is a local company making high end carbon fibre boats and composite components. We are based in New Milton, Hampshire.

We currently have exciting opportunities to join Maguire Boats - an innovative boat design and manufacturing business, specialising in the International Moth. our boats are being raced Worldwide by Olympic and Americas Cup sailors. Our reputation and first-class products have resulted in our boats taking the top positions in the last two world championships, which has produced an ever-growing order book.

Maguire Boats is recruiting for the following positions:

Boat builder – To build and assemble our Internationals moth dinghies. This will require a high attention to detail and a methodical approach to tasks. Involving a range of boat building tasks, i.e. laminating, trimming, assembly, bonding, fit out and assembling components

Laminators - GRP laminators. We require people who can laminate with Carbon fibre and Epoxy resin systems. Primarily high-end hand laminating and vacuum bagging and resin infusion. Laminators will be required to work alone on component work or together with other individuals on hulls or larger jobs. Individuals after training will be required to take on laminating jobs from start to finish. Which would include prepping moulds, preparing reinforcement, laminating, trimming, finishing and fit out.

Paint sprayer/ finisher – Skilled GRP finishers – the position could also suit candidates from a vehicle body shop or panel repair background. Experience in the car/ auto motive/ panel repairing. Experience with boats is not essential. Experience with filling, fairing and polishing. An eye for detail, high standards and cleanliness is essential.

Overall we are looking for a strong attention to detail, good practical skills, manual dexterity, and you to be thorough and precise. You should be able to follow instructions with precision, able to retain and learn new skills.

Our hours of work are 0800-1730. **We will consider full and part time roles for the above positions. Also sub contractors welcome.**

Salaries will be priced on experience, skill level and qualifications.

Please send your CV and covering letter to info@maguireboats.com
