Training

We are now inviting staff to gain their NVQ level 2 in Spectator Safety with BBP Security, we aim to get all staff through this qualification during the next 12 months, this is a vocational qualification, and will not cost you anything.

Hopefully this will lead on to BBP broadening our supply base, and more work for you.

R.I.P Steve Evans.

Monday 3rd Feb 2014 was the day we said a last fairwell to a close friend of us all.

Steve's journey with cancer touched the hearts of thousands throughout the UK, whether it be by seeing him on Breakfast time TV, hearing him on the radio with Richard Bacon, being one of his 26,000 plus twitter followers or simply knowing him as a friend and colleague like we did. Steve, you were one of us, in Steve's own words a bloke from the council, **Thanks for Coming**

We were all so proud of the BBP Security turn out for our good friend, Steve Evans' funeral, and to those celebrating his memory afterwards. Our thoughts are with his family, Sep, Megan & Lauren. Anytime you need us, your extended huge family are there for you.

What a typical Steve Evans spectacle it was, I'm sure it was exactly how he planned it. Sadness and laughter throughout.

Don't forget, Sue is shaving all her hair off for the Deansley Ward at New Cross, in memory of Steve and the care given in the Deansley Ward to ALL patients.
