Springfield House Hotel

...where Dreams are made

Springfield House Hotel

*Nestling in beautiful Fylde countryside, **Springfield House Hotel** is the perfect setting for your “Dream Wedding”.*

Dating back to 1860, **Springfield House Hotel** was originally the home of the Corless Family. William Corless had the house built for his fiancée and every care was taken in its design;

It stands today as a testament to their love. Elegant in its appearance, this truly fine Georgian House is surrounded by manicured lawns and set within magnificent walled gardens, which make **Springfield House Hotel** so special - a truly idyllic setting for the most Romantic of Weddings.

Our Wedding co-ordinators, along with their dedicated team of skilled professionals, will personally ensure the smooth running of your most important day.

Civil Ceremonies

When you decide to hold your wedding at **Springfield House Hotel**, you will need to agree a date and time with our Wedding Co-ordinators. It will also be necessary to make contact with the Superintendent Registrar of Lancaster on **0300 1236705**, to discuss the dates and times available - this can be done up to 12 months in advance.

Once a definite date and time have been agreed, you will then have to visit the Register Office for the district in which you live to give notice. The fees for Registration Officers to attend marriages, in approved premises, are set by the local authorities, in order to cover the costs involved.

The Superintendent Registrar of Lancaster will supply this information.

These fees are in addition to any charges levied by the **Springfield House Hotel** for the ceremony room.

Your Same Sex Marriage

We welcome Same Sex Marriages at
Springfield House Hotel.

Once you have chosen **Springfield House Hotel** as the perfect venue, simply follow the same procedures as stated for Civil Ceremonies.

Our Wedding Coordinators, will help to bring you peace of mind and will advise and assess your personal requirements at every stage in order to turn your dreams into reality and make your Wedding Day so very special.

We are mindful that each couple's expectations vary greatly and, therefore, we take great care to ensure that each individual wedding not only meets those expectations but hopefully, exceeds them.
