THE EDEN TIMES

'Festive Greetings 2016 to you all, and a big THANK YOU for supporting us through another incredible year.'
from Angie Townsend, Director,

'...As we opened in August 1996 it was our 20th Birthday year and what a blast we are still having! Here's a few of our best bits...'

*W*e have been delighted to welcome to the team Salon Assistant and budding Graduate Stylist Alice, she's been a big hit with our clients and is a pleasure to work with. Joining the team were 2 new Eden babies, with SJ welcoming her second baby Frankie and Sam having her first baby, Isaac. Further personal individual achievements have been in Angie's incredible year of wins in her Gun Dog Working Tests, yet another Marathon under Sarah's belt after coming back from injury and Alice passing her driving test. As a team we had a wild night in Portsmouth at a Burlesque show and dinner, and in September lots of our team went out to Cyprus to celebrate Chloe's marriage to James, many congratulations to them both. Within the salon we had a beautiful new wood floor laid and introduced L'Oreal's 3 step hair strengthening process, Smartbond. We are proud to now be a L'Oreal Colour Specialist salon with Sarah passing her colour degree with flying ...colours!

The team's charity fundraising efforts have been astounding with 19 of us running Cancer Research's 5K Race For Life in fantastic times and we hosted a very successful charity evening for the Haslemere and Liphook Girlguiding groups. We had another great year at Goodwood Revival as The Victory Roll Hair Parlour creating over 300 fabulous vintage hair styles. Adding to our awesome year both within and outside the salon, we have had a great year online too, launching our instagram profile and stunning new website. Our online booking method is going from strength to strength with more and more people choosing to book online than ever before and our biggest double pamper package giveaway Facebook competition which was entered by nearly 800 people! Can we take this opportunity to thank our social media community for their support, and of course all their 'likes and shares'!

BE ON TREND FOR SPRING/SUMMER 2017

... our team have been doing our research on Vogue and Elle and here is what we found...

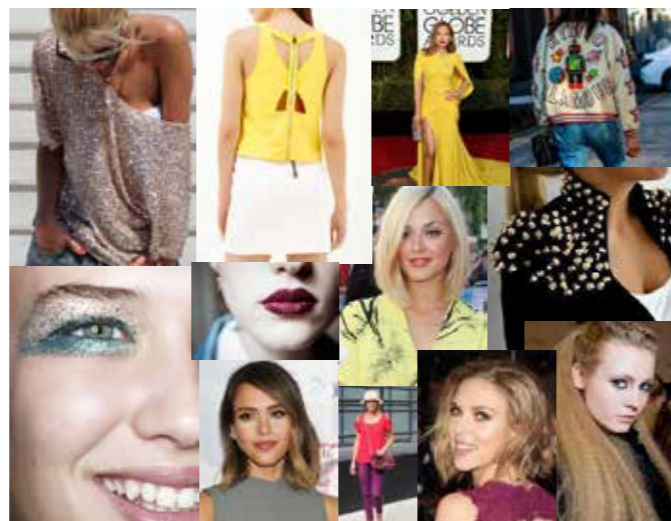

In terms of clothes the various trends spotted were wrap arounds, deconstructed shirts, cut out sections, ruffles, badges and tomboy styles.

Colours – Look out for yellow! Mustard yellow, bright yellow, pastel yellow, YELLOW. Pink was also featured on S/S 2017 catwalks, metallic and gold.

Accessories – Studs and sequins, and the must have foot wear is slip-on mule type shoes both in fur and leather.

Makeup - Bright blush, lipstick used as blush, metallic and smoky eyes and glitter on both lips and faces.

Hair – (most importantly of course!) – The catwalks saw crimped hair, choppy cuts, tomboy slicks, pre lightened hair, bobs, fringes, slick side partings and different types of plaits – there's definitely a plait to suit everyone.

Look out for our unmissable January, February and March **money off vouchers** at the back of this newsletter to get your 2017 look with a discount!
