

Swimming, Running and Award success for Eden Hair and Beauty's Sarah Barnett

If swimming 2.5km and running a Marathon wasn't enough, Sarah went on to win Employee of the Year at the prestigious Haslemere Business Awards on Saturday.

Manager of Eden Hair and Beauty and member of Haslemere Athletics Club Sarah's energy and enthusiasm are well known amongst her colleagues, clients and community. After 8 hard months of training for sixth Marathon Sarah completed the Brighton Marathon in sweltering heats on the 10th April in her fastest ever time of 5 hours and 6 minutes. As well as running in aid of Marie Curie Cancer Care, Sarah also entered the annual Marie Curie Swimathon at the Herons with 10 of the team from Eden; she swam 100 lengths at 8pm on the Friday 8th April, just two days before the big run.

For the icing on Sarah's (well deserved) cake, her hard work and professionalism was recognised by the Chambers of Trade and Commerce at last weekend's Business Awards. She was presented her trophy for Employee of the Year by Mayor Melanie Odell and was able to finally let her hair down and celebrate amongst the other winning businesses and dedicated Eden Team supporters.
