Your Wedding Day

Weddings are a big event in every family's calendar. You want everyone to have a wonderful day and for everything to be just perfect.

With so much to think about, do make sure you plan some time in to ensure you look radiant; whether you're the bride, bridesmaid, proud mother or mother-in-law.

We highly recommend a Bridal Hair and Makeup Trial. This gives you and us the chance to discuss those all-important hair and make-up decisions well in advance of the day.

Then on the day of the Wedding there are no hidden surprises. You'll have met your stylist and we ensure that the same stylist will style your hair on the day.

We offer helpful advice on style, colour, accessories and your overall look. Everything will happen just the way you planned it, leaving you relaxed, stress free and able to enjoy the celebrations.
