

EDEN COVID POLICY

We still have a number of measures in place to provide you and our team with the safest possible environment.

If on the date of your appointment you show any symptoms of Covid'19 (including a temperature), we ask that you take a Covid test and rearrange your appointment.

We are working 6 days a week with extended daily hours to allow for clients and our staff to be sufficiently spaced out across our large salon.

The team will still be wearing face masks within the salon, and gloves where necessary. We still have dividing sheets between our backwash basins.

You must wear a face mask during your salon visit. This can be removed to sip drinks and for facial treatments. We can provide tea and coffee in disposable cups, but feel free to bring your own reusable bottle or cup.

Access to the salon will be by appointment only and we ask that only the client attend, (unless the appointment is for a child and they require one guardian).

We ask you to please wash your hands before you leave for your appointment and use hand sanitizer upon entering the salon.

There will be a limited waiting area so if you arrive early we ask that you please wait outside the salon or even better, in your car until your designated appointment time, where possible. Our doors will be open whenever possible to increase air ventilation and we do have an air conditioning systems that does not recycle air.

Combs, scissors and clips continue to be disinfected after each use.

Our surfaces will be cleaned after every client and the salon will be cleaned throughout the day as well as a deep clean at the end of each day.

Covid safe magazines are here! We are so excited to now offer you free access to over 70 digital magazines while you enjoy your salon visit. Also still feel free to bring your own book or devices that can connect to our WIFI.

Check our website before your appointment for any updates, or even better, follow us on social media @edenhair.haslemere.

***Again, we are so grateful for your support for our salon and team
and we can't wait to see you.***
