

BE ON TREND! with Spring/Summer 2020 fashion predictions from harpersbazaar.com BAZAAR

Hair accessories continued to dominate the catwalks, seeing models adorning their hair with pearls, lavender sprigs, black bows, crystals, combs and pins. Variants of blonde, be it 'bronde', buttery blonde or fading to blonde colours, illuminating shades are here to stay. Hairstyle wise, you can't go wrong with a bob next spring, with long bobs, asymmetric bobs and the modern jawline blunt bobs being a popular look.

Complete the look with tangerine, or 'happy blue' clothes, shorts, weird and wonderful hats and polka dot prints.

Remember you can book in for a complimentary 15 minute consultation with one of the team and we can advise you on hair colours and styles.

Ways to have a *Merry Christmas* from www.MeanttoBeHappy.com

- 1 CONNECT TO THE DEEPER MEANING OF THE SEASON**
On the surface of things, it seems Christmas has become little more than a day of getting stuff. By connecting to the deeper meaning of the season, your Christmas celebration can itself be deeper, more meaningful, and therefore more perspective-shifting and happiness-inspiring.
- 2 MAKE IT FUN AND FESTIVE**
Get out the lights. Put up the tree. Blast the tunes. Decorate. Dance around the house. Invite others over to dance with you. Sing carols. Get into the season. Don't wait around for the season to get into you!
- 3 DO WHAT YOU LOVE**
If the festivities all get a bit too much, be your own mood-breaker! Paint. Run. Climb. Sing. Swim. Serve. Learn. Play. Give. And watch what starts to happen to your holiday spirit.
- 4 LIST ALL THE THINGS THAT ARE WONDERFUL IN YOUR LIFE**
We often tend to over-exaggerate the negative and under-accentuate the good. Gratitude is contagious. So do all you can to catch it. Then spread it. Liberally!
- 5 PUT YOURSELF ON SANTA'S "NICE" LIST**
As you're out doing good to others, spreading Christmas cheer, spread some to yourself as well. Buy yourself a gift and believe that you deserve it.
- 6 BONUS. HAVE NO EXPECTATIONS**
Our biggest cause of disappointment is when our expectations are not met. If you expect little or nothing, anything good will be a wonderful surprise!

THE EDEN TIMES

... and just like that, we have reached the end of another fantastic year for the salon and our team!

This year was particularly special for us because we had our biggest salon refit to date. With two brand new beauty rooms, two new bathrooms, a new kitchen area, four new massage chairs, a new back door and a complete redecoration, including our gorgeous new contemporary wallpaper. Since welcoming two fantastic new Senior Beauty Therapists, **Roberta** and **Deanna**, and two new beauty beds, our beauty services have gone from *strength* to *strength*.

The Eden kiddie team is also ever growing with **Aimee's** lovely son **Rory** coming into the world last August. *Excitingly*, **Olivia** is expecting her first baby and **Chloe** is expecting her second daughter in the Spring.

We have had a great response to our apprenticeship programme and have so far recruited Graduate Stylists **Danni** and **Lucy**. In addition, **Sephie** and **Gracie** have become more permanent salon helpers and we are lucky enough to have **Rosie** assist around the salon too.

As for our commitment to ongoing education, we have had product and skill training with our partners; **L'Oreal**, **GHD**, **OPI** and **Dermalogica**, and have launched **OPI Gel Nail** services, **L'Oreal Power Mix** Treatments and the **GHD Oracle**, the latest in curling technology.

Our vintage hair specialist team were blessed with the most glorious weather at this year's **Goodwood Vintage Revival**. Each year it gets bigger and better and September 2019 was no exception with our vintage clothes and accessory shop being a big hit!

As for our ever energetic team, **Angie** and **Pop** continue to star in the dog trialling circuit, Salon Manager **Sarah** has begun preparations for her first triathlon next year and **Emily** has started running her own busy column of clients.

This year we have been really focused on showing our appreciation to our clients and giving back whenever we can.

We have therefore introduced 'Happy hours' for specific appointments during quieter times in the week where services are half price (*these can be booked on the day when available*). We also have both hair and beauty loyalty cards to reward regular clients and have had a super response to our Facebook giveaway competitions. Our creative social media following and content continues to grow and I would like to take this opportunity to thank our followers for being a part of our online community.

Owing to the popularity of our online booking facility we are now developing our Eden App which will allow you access to bookings, salon information and offers in the palm of your hand. **Look out for this in Spring 2020!**

Wow, what another amazing year at Eden, none of it possible however without the support of our extraordinary clients. Thank you so much for your support throughout 2019 and we hope to see you (*and your Spring vouchers!*) soon!

Have a truly magical Christmas and a Happy, Healthy New Year 2020!
Best wishes, Angie and the team.
