# THE EDEN TIMES

Wow, and we have reached the end of another amazing year again and have achieved so much inside and outside of the salon.

We have continued our commitment to ongoing education with practical in salon L'Oreal training and assessments, apprentices Laura, Emily, Jenna and Mae attended and passed their L'Oreal Express Colour Keys course, and Sarah and Angie took part in the first Retail Specialist Course, Aimee, Olivia and Sarah went on Sophia Hilton courses, (Sophia Hilton is a UK Leading Colour Specialist so these courses were amazing!)

It has been exhilarating to see our Instagram account take off with 'Insta-Friday' being a big hit with our followers. Our team work so hard over the week to collect photos and videos of their hair styles and salon pictures which are showcased on a Friday on our social media. In other digital news, our online booking service has grown in popularity and is now equally as popular as calling us.

As for our ever energetic team, Aimee and Julie have just completed a trek of the Himilayas, Jenna passed her driving test, Chloe is back from maternity leave, Sarah is doing fantastically in her running having just completed her 16th Marathon in Dublin, while Angie and Keith have continued to win prizes in the Gundog Trials.

We say it every year, but this year was incredible at Goodwood Vintage Revival, being busy from 7am - 7pm Friday - Sunday and creating some truly stunning vintage styles. In other annual events, dressed as cheerleaders, we hosted our summer fundraiser for Camelsdale School with a spectacular BBQ and cake sale.

Thinking of our year ahead, we are excited to announce that the salon will be undergoing a huge refit next spring! Keep an eye out for your monthly newsletter email for all of the details.

Finally, and mostly importantly, thank you so much to our wonderful clients and all of your support throughout 2018 and we look forward to seeing you lots during 2019!

Have a marvellous Christmas and a very Happy New Year!

Angie

- 2 **Twiggy.** Models rocked baby bangs, exaggerated lashes and nude lips.
- 3 **Sporty look.** Headbands, bucket hats and caps.
- 4 **Vintage/60s.** Hair in pastel colours with styles varying from buzzcuts to classic chignons.
- 5 **Finally, two words.** Low ponytails!
