

## **CORORATE SOCIAL RESPONSIBILITY**

**Daysecure is committed to act in a socially responsible way,by continually improving its performance whilst meeting all the relevant legislation regarding:**

**Conservation of the natural resources used in our office and training facilities.**

**Minimising adverse environmental effects of people travelling to and from our office.**

**The Behaviour of Contractors and Suppliers used by Daysecure.**

**Our impact on the wider and local community.**

**Processes that effect our employee relations and the well being of our people.**

**Daysecure are committed where practical to ensure all suppliers behave in a socially responsible way.This includes using environmentally friendly products and making sure all workers are treated properly.**

**Daysecure supports a number of charitable events and organisations details of which are available if requested from Daysecure Ltd.**
