

## **EQUALITY AND DIVERSITY**

**Daysecure is an equal opportunities organisation. Daysecure is determined to ensure that no customer ,employee,partner or visitor are treated less fairly or discriminated against.**

**Equality means everybody is treated with the same level of respect.We welcome people of all races,ages,genders,religous beliefs and sexual orientation,disregarding any disabilities and embracing diversity to provide a secure environment and a service without prejudice.**

**Equality of opportunity and application is widely promoted in all aspects of learning and employment,including recruitment,training,placement,promotion and terms and conditions of employment at all levels of the company.Daysecure understands that certain disadvantaged groups may encounter particular difficulties in employment and learning opportunities and our aim is to reduce and eradicate these difficulties.**

**EQUALITY AND DIVERSITY is about enjoying differences whatever they are and providing equal opportunities for all.**
