*Owner (1) Date of Birth		Owner (2) Date of Birth	

***Has the Registered Fishing Vessel got a shellfish fishing entitlement set out in Section 3 of the vessel's general fishing Licence (Y/N)?**

Part Two

Devon and Severn IFCA has a Policy for the use of Nets by Named Representatives.

Part Two of the netting permit application form must be completed if the intended skipper (Master) of a commercial vessel (Category One Permit) is not the applicant.

Full Name of Representative (Master)		Named Representative's (Master) Address & Post Code	
---	--	--	--

Named Representative's (Master) Date of Birth		Named Representative's (Master) Mobile Phone No & Email address (at least one must be provided).	
---	--	---	--

Part Three

*Are the nets intended to be deployed from a vessel or from the shore?

*Will a seine net be used within an estuary? Y/N

Effort Details:

Type of Net	Expected to be used (Y/N)	Estimate of number of nets and length of each (Metres)
Drift Net		
Fixed Gill Net		
Trammel Net		
Tangle Net		
Seine Net (other than in an estuary)		
Other (please specify)		

Note

Category Two Permit Holders require a Tag to be issued for a single net to be used at sea and a Tag to be issued for a single seine net which can be used within an estuary.

Part Four

Part Four of the netting permit application form must be completed by all applicants.

1. I and the named representative have read and understood the Netting Permit Byelaw: (Y/N)

2. I and the named representative have read and understood the Netting Permit Byelaw permit conditions: Y/N

3. I and the named representative have read and understood the Annexes 1 to 5 that form part of the Netting Permit Byelaw permit conditions: (Y/N)

4. Administration fee of £20 enclosed Y/N (not applicable for online applications)

(Cheques made payable to Devon and Severn IFCA)

Data Protection Notice

The information you supply is covered by the Data Protection Act 1998. The information provided on your application will be processed by D&S IFCA to deal with your application. We need the information on the form and your consent if we are to:

- Consider your application

It will also be processed to:

- Provide you with information (the permit conditions) and where applicable the required tags.
- Assist with permit renewals;
- Maintain our data base with correct details
- Assist D&S IFCA with fisheries management

We may also use and/or disclose it in connection with:

- Validating your information by sharing the information with the Marine Management Organisation or other regulators
- Offering/providing you with our literature in regard to our functions and our mandatory requirement to consult with the permit holder on any changes to the flexible permit conditions
- Investigating possible breaches of the permit conditions
- Preventing possible breaches of the permit conditions
- D&S IFCA will only hold data that is required in order to conduct its functions imposed by legislation
