Spring 2019

Alexander House Residential Home

Alexander House Residential Home; Person Centred and Meaningful Care in a Vibrant Community.

Alexander House is a Residential Home providing residential and dementia care in a home from home environment. Specialising in working with Dementia Alexander House offers person centred and meaningful care services which focus on creating a resident led and family orientated community.

Located in the historical seaside town of Dover we are only moments from the

busy high street, Drs Surgeries, Cafes, Post Office and Chemist.

Our recently refurbished home which is set over two buildings offers a spacious environment with 5 relaxing social lounges, a conservatory/ dining room area and main dining room.

Our bedrooms are located over the ground, first and second floor and are decorated to a high standard. The rooms all

come with a bedroom suite and seating area with either vanity en-suites or vanity units within the rooms.

Our menus are seasonal and are freshly prepared and cooked in our 5 star rated kitchen. We can cater for a variety of tastes and diets including specific religious and medical requirements.

An important part of our home is the vibrant and engaging social events and activities which run 7 days a week. We have 2 Leisure and Lifestyle Coordinators who work with our residents to create a social calendar based on their interests and hobbies. We have great community links with local groups such as the Royal British Legion, Schools, Nurseries and Local Art Charities.

We have a beautiful courtyard garden which is great for enjoying an afternoon tea in the sun.

In Spring 2019 Alexander House launched our new recuperation service which offers service users a number of different care packages which are aimed at supporting them to regain daily skills with the aim of going home or on a long term basis to enable the service users to maintain independence whilst also receiving around the clock care.

“ It is our aim to provide a happy, secure and home from home environment with warm and friendly staff where making new and happy memories are a priority.

”

Our National Award Winning Manager has over a decade of experience within the care sector and is a Dementia Champion.

It is with this award winning dedication and passion that she manages the homes services and care.

All of our Health Care Assistants are recruited for their passion and dedication to care. We have high expectations which are facilitated by the outstanding training we provide which covers a broad spectrum of subjects and specialisms in Health and Social Care.

Promoting independence, dignity and individuality with a holistic approach to the daily health and social needs of our residents are a priority: it is not just a job but a vocation.

We can provide Residential and Dementia care which can be accommodated on a Long Term: Short term: Respite, Convalescence and Day Care basis.

It is our aim to provide a happy, secure and home from home environment with warm and friendly staff where making new and happy memories are a priority.
