You will be required to perform duties other than those given in the job description for the post. The particular duties and responsibilities attached to posts may vary from time to time without changing the general character of the duties or the level of responsibility entailed. Such variations are a common occurrence and would not of themselves justify the re-evaluation of a post. In cases, however, where a permanent and substantial change in the nature of the duties and responsibilities of a post occurs consistent with a higher level of responsibility, then the post would be eligible for re-evaluation.
