

Nigel Haig-Brown X

ELECT YOUR RESIDENTS' CANDIDATE ON 3rd MAY 2018

Nigel Haig-Brown

Nigel has been an Elmbridge councillor since 2014. He is vice chairman of the East Area Planning and Overview & Scrutiny Committees, sits on the Licencing and Audit & Standards Committees and on a variety of permanent and ad hoc working groups.

"I am using my experience of business to good effect, through the introduction of appropriate commercial thinking in relevant activities.

I am passionate about:

- *preserving the local commons and maintaining the openness of the surrounding countryside, by protecting the Green Belt*
- *maintaining the health of a thriving local community"*

Nigel is a Trustee of the Princess Alice Hospice and a member of the Finance and General Purposes Committee. His leisure pursuits include travelling and tending his allotment. He is married and has lived in Hinchley Wood for over 20 years.

For a strong local voice on behalf of our community, vote:

Nigel Haig-Brown
on 3rd May 2018

In 2016, a Residents-led administration was formed in Elmbridge Borough Council, with Hinchley Wood & Weston Green Councillors playing leading roles in ensuring that residents come first in the policies and priorities of the Council. Examples of successful action include:

- Reforming the underperforming grass verge and green spaces contract
- Managing the new waste contract to provide a more comprehensive service at lower cost
- Tackling unauthorised traveller incursions, mooring and anti-social behaviour
- Sound financial management, contributing to the lowest Council Tax increases in Surrey

*Our team of Hinchley Wood & Weston Green Residents' Associations Councillors:
Tannia Shipley, Nigel Haig-Brown and Janet Turner*

Why vote Residents' Association?

Residents' Association Councillors serve the interests of the local community, not those of national political parties.

They work as a team to provide a comprehensive cover for the ward's residents.

They live in the ward and are readily accessible to deal with residents' concerns – through regular Association open meetings, phone and email.

RA Councillors are among the hardest working on the Council and in the wards – they get things done!

Since 2016, a Residents-led Administration has delivered excellent results for the benefit of Elmbridge local communities.

Our priorities:

Planning: Support sustainable development with the necessary infrastructure, and resist inappropriate development.

Green Belt and open spaces: Continue to protect our Green Belt and other open spaces, and encourage their use for recreation.

Resident wellbeing: Support the elderly and vulnerable members of our communities, and promote local recreational opportunities for the young.

Amenities: Promote and maintain our thriving communities by protecting and enhancing local shops and other amenities.

Examples of our Councillors' practical action in the community:

Setting up and leading volunteer litter-picking groups. ✓

Working to improve the draft Elmbridge Local Plan, so as to ensure that development reflects the needs of our communities without detriment to the Green Belt. ✓

Organising the much-loved 'Secret Gardens of Weston Green' day in June. ✓

Supporting and co-ordinating the Residents' Association initiative to restore Milbourne Pond. ✓

Acting to get cycle racks put in at Hinchley Wood station and at the secondary school. ✓

Ensuring that bus stops were installed in Manor Road South following the withdrawal by the bus company of the 'hail and ride' facility on that section of the route. ✓

Pursuing Surrey County Council to get better lighting put in under the railway bridge at Esher station. ✓
