

Forest Lodge

Welcome

Forest Lodge offers a superb accommodation to enjoy a relaxing time in the Highlands of Scotland. This woodland Lodge has recently just been completed and provides a high standard of accommodation in the heart of the Highlands. The Lodge is an individual property set in the middle of private woodland; it is located some 8 miles west of the highland capital Inverness and some 3 miles from the tranquil village of Beaulieu.

The dwelling consists of a spacious open living, dining and kitchen area. The living area has a large wood burning stove for those cosy nights in, large comfortable sofas and a flat screen wall mounted television, free view and DVD player. There is also an iPod docking station, DAB Radio and integral CD unit.

The solid oak kitchen is well fitted out with all the items you require. Or if you don't fancy cooking inside there is a purpose made barbeque beside the property just adjacent to the rear decking for those summer evenings. If cooking is not your thing, we can recommend many local restaurants from fine dining to cosy local cuisine.

This is an ideal place for couples to base themselves for exploring the surrounding area, whether it be Salmon fishing on the nearby river Beaully, seeing the sites of Loch Ness and Urquhart Castle, enjoying many of the local Golf Courses or just relaxing with a glass of wine on the decking absorbing the view.

We can arrange luxury transport airport collection, we also have on site facilities for Clay Pigeon shooting, and can take you down Loch Ness on our 6.5m RIB Power Boat and you can enjoy champagne in Urquhart Bay overlooking the famous Castle.
