Hello

Art Unequaled will enter its sixth year in 2016 creating art fairs for makers of excellent Art and Craft works in a range of media.

I am an artist myself and my aim is to make art more accessible to the public and promote what we as skilled craftsman do. There will be **NO brought in goods allowed**; everything shown must be handmade by the individual artist and be of a high standard of quality and design.

Following on from the success of previous year's, next years show will be on 22nd and 23rd October 2016 at The Maltings in Ely, Cambridgeshire and have approximately 45 stands.

Ely is a thriving market town and The Malting's is an exceptional building by the picturesque riverside in Ely. A well established and known setting to the locals, The Malting's dates back to 1868.

Ely is known for its stunning Cathedral in the centre of town, attracting thousands of tourists to visit each year. There is a large catchment area surrounding Ely within local Towns and Villages. Ely is ideally placed 25 mins by car and 15 mins by direct train from Cambridge. Only one hour by fast train from London Kings Cross. The Malting's is a 5 min walk from the train station.

You are warmly invited to apply for this exciting event using the attached application form.

Acceptance will be through selection so please include good quality images of the range of work you produce. (Please include both high res and low res images). You may send these on a disc or email inc. Art Unequaled application and your name in the subject box. Please note that by sending your images you give permission for these to be used on the Art Unequaled website and within publicity for the show.

*The fee for your stall fee will include:*

- Stand space of the size notified for the two day event
- A table and chair as required
- Inclusion on a **professionally designed website** with links to your own web addresses and contact information
- A thorough **advertising campaign**
- Programme given to visitors containing exhibitor contact details
- Option to have customer credit card payments processed on your behalf

I hope that you will consider this event and look forward to receiving your application.

Please contact me if you require any further information

Best wishes, Sally Dunham
