Dear Sir/Madam

FEES LETTER: Outpatient Appointment

Practice Nurse:

Mrs Anne Rumbelow RGN T: 07900 99 33 59

Thank you for choosing to see me for your outpatient consultation. This letter sets out some important information that I am required by law to provide to you. This is for your information and is not a bill. As this includes information about my charges, if you do not have private medical insurance but someone else will be paying your bill, you may wish to pass a copy of this letter to them. Please note that even if someone else is paying the bill or you have private medical insurance, you are responsible for paying any charges which they do not pay. If you do not turn up for your appointment or have to cancel less than 36 hours before the appointment then we will still charge for the time. We regret that we are unable to accept cheques. We politely request payment by bank transfer. If you are unable to arrange this, a card payment can be taken in clinic.

Consultation Fee

My fee for an initial consultation will not exceed £280 and my fee for any follow up consultation will not exceed £200.

Following your consultation you may need certain tests (such as blood tests or imaging, for example an X-ray, MRI or CT scan or you may need to have additional scans at an Optician or our Harley Street facility) to help me diagnose your condition. The fees for those tests will be determined by the clinic or hospital and charged to you, or your private medical insurer, separately.

Private Medical Insurance

If you have private medical insurance, please contact your insurer before your consultation, to check the terms of your policy, particularly the level and type of outpatient cover you have, including any reimbursement limits on individual consultation fees. Please a new consultation authorisation in circumstances where: you are a new patient but I discharged you at the last visit, you are returning with a new condition or you have not been seen for more than a year.

Please note you are responsible for any fees not covered by your insurer. We would expect insurers to pay within 30 days.

Financial Interests

I am legally obliged to tell you if I have any financial interests in the clinics or hospitals at which I practise or any equipment there. I can confirm I do not have any such financial interests.

Quality Information

You can compare independent information about the quality of private treatment offered at the hospital and other private healthcare providers from the Private Healthcare Information Network (PHIN) website: www.phin.org.uk.

I look forward to welcoming you in clinic.

Yours sincerely
