Wilnash Care is a member of the UKHCA

United Kingdom Homecare Association Ltd (UKHCA) is the professional association of home care providers from the independent, voluntary, not-for-profit and statutory sectors. UKHCA helps organisations that provide social care, which may include nursing services to people in their own homes, promoting high standards of care and providing representation with national and regional policy-makers and regulators. The Association represents over 1,600 members across the United Kingdom, in England, Wales, Scotland and Northern Ireland
