Wilnash Care's Home Services provide the highest quality personal care and support possible to facilitate our service users with dignity, independence and control over their day to day living. Regardless of the level of support needed, a member of the Wilnash Care team is available 24 hours a day 365 days a year. For some, the reassurance and companionship gained from having one of our carers visit for a few hours a day to assist around the house will be enough. Others however, will require more intensive 24 hour care which can be provided on either Live In or Live Out basis.

WILNASH CARE CHARTER

Reflecting our commitment to improving the quality of life of our clients, team members and the wider community, the Wilnash Care Team affirms its obligation to:

- Provide the highest quality care and support
- Treat people with respect
- Encourage Independence and self fulfilment
- Embrace individuality
- Enhance self esteem
- Preserve dignity
- Support self expression
- Promote freedom of choice
