

PE Funding Report 2016-17

The Willow on Broadwaters Vision

Our children are passionate learners who excel academically and are resilient, reflective, creative and confident. They leave us with the competencies needed to thrive in the current and future world.

Values

- We ensure our children love coming to school because it is safe, fun, challenging and exciting.
- We have high expectations and are committed to supporting each individual to achieve their dreams.
- Everyone is valued as a unique member of our diverse community.
- We uphold the highest standards in all that we do and look continually to improve ourselves, so that what we do today, we do even better tomorrow.

Sport Premium is an amount of money which the government has agreed to allocate to schools for the next three academic years. The funding amount schools receive is based upon the number of children of primary age the school has. The sports premium is to be used to increase the quality and breadth of PE and Sport provision, and increase participation in PE and Sport.

At The Willow Primary School, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils.

How much did we receive?

In 2015-16 we received £9,413 and £4,069 in 16-17.

How have we spent the money in 15-16?

Action	Impact	Cost
Continue to buy in expert PE and sports coaches to work with the children in order that they children receive high quality PE and Sports during the school day.	Improved pupil knowledge, attitudes and to and levels of fitness and health, therefore, all round well-being	£5,000

We are proud that we achieved Silver Healthy School Award.

We promote a healthy lifestyle by:

- Providing bicycle sheds and encouraging children to either walk or cycle to school
- Outdoor gym in school playground
- Sensory garden and Fox Forest in school grounds.
- Providing a salad and fruit bar every lunch time.
- Chef manager gives healthy eating demonstrations to children.
- Provide fruit and milk for KS1 children.
- Magic breakfast club provides a nutritious breakfast for years 1-6
- Projects such as 'Bread and Butter' allow children to grow their own food and use this food in their cooking.
- Food grown on school site sold to local café.
- Annual healthy school week which includes whole school fitness activities and workshops.
- Restorative justice approach to behaviour.
- Discounted gym membership for staff
