KEY: **Extremism** – vocal or active opposition to fundamental British values such as democracy, the rule of law and tolerance of different faiths and beliefs

Ideology – a set of beliefs. **Terrorism** – a violent action against people or property, designed to create fear and advance a political, religious or ideological cause

Radicalisation – the process by which a person comes to support extremism and terrorism

Introduction

The Willow Primary school/Broadwaters' Children's Centre is committed to ensuring that members of the Broadwater's community are treated with tolerance and respect as part of its inclusive ethos.

What is the Prevent strategy?

Prevent is a government strategy designed to stop people becoming terrorists or supporting terrorist or extremist causes. The Prevent strategy covers all types of terrorism and extremism, including the extreme right wing, religious extremists and other causes.

How does the Prevent strategy apply to The Willow/Broadwaters' Children's Centre?

From July 2015 all schools (as well as other organisations) have a duty to safeguard children from radicalisation and extremism.

This means we have a responsibility to protect children from extremist and violent views in the same way we protect them from drugs or gang violence. Importantly, we can provide a safe place for pupils to discuss these issues so they better understand how to protect themselves.

What does this mean in practice?

Many of the things we already do to help children become positive, happy members of society also contribute to the Prevent strategy.

These include:

- ◆ Exploring other cultures and religions and promoting diversity
- ◆ Challenging prejudices and racist comments
- ◆ Developing critical thinking skills and a strong positive self-identity
- ◆ Promoting the spiritual, moral, social and Cultural development of pupils, as well as British values.

We will also protect children from the risk of radicalisation, for example by using filters on the internet to make sure they can't access extremist and terrorist material, or by vetting visitors who come on to the premises to work with pupils.

Frequently Asked Questions
