

ELECTION OF BROOK PARENT GOVERNOR

BALLOT PAPER

Casting your vote. Once you have decided which parent you will vote for, you can either email Felicia on felicia.rock@thebrook.haringey.sch.uk; text the parent phone **07964 526 306** or fill in a ballot paper that will be available at reception to put in a confidential ballot box.

Candidate Statement 1 – Wayne Davis

I would like to take this opportunity to put my name forward to become a governor for the Brook and the Willow schools. As a father that has children in both schools it would be a great opportunity to contribute to the success of the schools by working closely with key stakeholders to identify challenges, ongoing successes and have a voice that represents parents in how the day to day and future looks for our children and those connected with the school. Skills and experiences that I would bring to this role are; Effective communication, empathy, commitment and transparency. I have been fortunate through my line of work as a sales person, recruitment officer and an entertainment manager for an artist to work with stake holders in discussing matters, such as future budgets, projects moving forward to get an overall achievement in objectives that are set.

Wayne Davis (Ladybird Class parent)

Candidate Statement 2 – Jade Eduardo

Since Ayden joined The Brook in 2020, I have been incredibly impressed with the care he has received, and the progress he has been able to make. I am extremely keen to give something back to the school who have given so much to my child, hence my application to be a parent governor. I would love to get involved in more voluntary roles in educational settings, and I think this opportunity of parent governor would be a good way to do this. whilst I don't have any sought-after specialist experience to offer the school, I am a willing individual who is always ready to do what's needed to help children achieve their full educational potential I'm confident that I'd be able to cope with the demands of being a parent governor in a general role and that I have a lot to offer the school. In terms of my skills and background, I currently work at John Lewis as one of the senior buyers sharing my time between the company's head office in Victoria and working from home/travelling. I have previously been a volunteer at a children's centre for many years. I have a deep understanding of the needs of busy working parents in ensuring the welfare of their children in

their academic setting and understand the challenges other parents and children with additional needs can face on a day to day basis. I believe that my professional skills, as a senior buyer, a trained Lawyer combined with my passion for making a difference to the lives of children such as mine, who need particular care and attention, would make me an excellent choice for the parent governor role.

Jade Eduardo (Dragonfly class parent)

Candidate Statement 3 – Yvette Johnson

I believe that he children should benefit from a good day to day experience at school and achieve their potential. Since my son has joined The Brook he has come on tremendously in all aspects of his school life, I want to continue this for all children at The Brook. I have 20 year experience as a Teaching Assistant, SEN and I have also worked as a SMSA. I have experience in speech and language and 1 to 1 support. I have a lot of experience to help the school strive even further.

Yvette Johnson (Honeysuckle Class Parent)
