

Celebrating

World Oral Health Day

in Haringey

20th March 2024

“Be proud of your mouth. Take care of it and keep smiling.”

We are celebrating World Oral Health Day in Haringey on 20th March 2024. Good oral health is important for your overall physical and emotional wellbeing throughout life. You and your family should **brush your teeth twice a day, cut down on sugar**, and have **regular dental check-ups**.

Come and meet our friendly Oral Health Promotion Team, at the locations below:
