

Primary PE and Sports Funding

Introduction:

The government provided all primary schools with ring fenced PE Premium funding. The Brook received £8,425 for 2013/14. For 2014/15 we have received £4,923 so far. Funding will be ongoing for possibly the next 5 years to use as we see fit to improve our provision of PE and Sport. After consultation with parents at the Brook we decided that our vision to maximise the effectiveness of the premium was to develop extended school sport and leisure sessions. These were linked to the school's strategy to improve the fitness and health of all pupils. We also took into account the pupil's own interests in PE and swimming. We began by offering after school and weekend sports activities in small groups with qualified SEN instructors. These included:

- Rebound Therapy and trampolining for Early Years and Key Stage 1 from the beginning of January 2014 on Wednesday after school from 3.30pm-4.30pm.
- Swimming sessions from January 2014 on Saturdays initially for 2 hours, 11.30-12.30pm for Early Years and Key Stage 1, followed by Key Stage 2 at 12.30-1.30pm led by a swimming instructor supported by staff trained in resuscitation. This was extended to four hours from March 2014 because of its popularity and now includes a 1 hour PMLD session.
- Boccia and Multi-Sport games and activities followed on a Wednesday after school from 3.30-4.30pm for 1 hour in the summer term aimed primarily at KS 2 pupils led by a British Lions trained coach.
- Further Boccia club began from February 2015

Long term sustainability was established by parental contributions of £5.00 per session based firmly on letting costs.

Impact:

- Increased pupil participation in PE and Sports beyond the school day
- Extended provision and inclusivity
- Enhanced communication with parents and carers, time of day when activities offered most suit parents/carers.
- Parents and carers socialising – in special schools this difficult as children are bussed in each day
- As part of the school's strategy to improve pupil's health and fitness
- Complementing healthy eating and weight control programmes both across the school and for particular individuals for whom the dietitian has put plans in place
- Improved links with other schools and partners in sport eg. PACE

Primary PE and Sport Funding - Overview of Spend as at January 2015

Area of Development -Timescale	Evidence	Funding Costs	Impact
<ul style="list-style-type: none"> • <u>Primary PE and Sport Funding</u> • Initial meeting MH with HT, DH, OCT 2014 to discuss best use of new PE premium funding. Agreed to set up parent's group meeting NOV 14 to gauge interest in developing future extended schools sports activity sessions from JAN 2014. Proposal warmly received by parents in meeting led by TL and MH. • Swimming starts JAN 2014 for 2 x 1hr sessions for KS 1 and 2 on Saturday mornings. This is extended to 4 hrs from MARCH 2014 to include a 1hr session for PMLD pupils. • Rebound trampoline sessions start JAN 14 for 1 hr after school for EYFS/KS 1pupils. • Wednesday after school multi sports club starts SEPT 2014 for 1hr particularly aimed at KS 2 pupils. • Proposed Wednesday afternoon boccia club to start FEB 2015 targeting further KS 2 pupils. 	<p>Qualified SEN Swimming, Sports Instructor led activity sessions, Trained Support Staff Pupil's needs/interests PV gauge most popular activities.</p> <p>During the period Jan - July 14 F/S KS 1 11 pupils KS 2 14 pupils took part in extended sports sessions. During Sept-July 14/15 our target is to increase these figures</p> <p>See further data and registers for participation rates.</p>	<p>Rec £8425 PE funding in OCT 13 for 2013-14. Ongoing ring fenced funding possibly for the next 5 years, working towards developing long term sustainability by asking parents for a £5 contribution per session to cover further lettings costs.</p> <p>At Sept 14 just over £6000 had been spent out of the £8425, not including the £1196 income from parents. So far received £4923 PE Premium funding in Nov 14 for 14-15.</p> <p>All figures/ costs for sports sessions - see additional PE Premium spend data.</p>	<p>Increased pupil participation, Extended provision, inclusivity Enhanced communication with parents and carers, time of day when activities offered most suit parents/carers.</p> <p>As part of the school's strategy to improve pupil's health and fitness complementing healthy eating and weight control programmes. Improved links with other schools and partners in sport eg. PACE</p>
<ul style="list-style-type: none"> • <u>Professional Learning-CPD</u> • Development and use of the outdoor play spaces and MUGA. Playtime and Lunchtime games and activities led by Play Leaders. • Training in Playground activities/games. • Haringey PE and School Sport CPD programme to provide high quality additional learning opportunities in PE during 2014/15. 	<p>MH, CT, TAs, Attendance at PE Forums, YST CPD</p>	<p>Provide high quality CPD for adults supporting learning to run effective activities £1350 paid for from PE Sport Premium Sept 14</p>	<p>More confident and skilled staff delivering good practice. Increase pupil participation.</p>
