Colour in this summer themed picture!

Bubble blowing butterflies

You will need:

Liquid soap/washing up liquid

Water

Food colouring/paint

Paper/card

Scissors

Straw

1. First you must make your bubble mixture. Mix some water and soap together until it is a good bubbly consistency.

2. Add in your colours. The best way to do this is to have several pots made, with a different colour in each.
3. Practise blowing out through the straw, we do not want any soapy water in your mouth!
4. Put one end of the straw into the bubble solution. Blow your bubbles, until they start going over the top of the pot (careful, try to do it somewhere easy to clean).
5. Put the card on top of the colourful bubbles. You should see the colourful bubbles on the paper.
6. Repeat with different colours until you are happy with the result.
7. Fold your paper in half and cut a butterfly shape. You have made your own bubble blowing butterfly!
8. Carry on making lots of fun shapes and pictures with the bubbles!

Dear Kingfisher Class,

Thank you for being such an amazing class this year!! You have made it such a fun year for everyone, and I am SO proud of you! I know next year you will continue to do amazingly, and you will show off all your amazing talents. I'm sorry that we didn't get to finish the year, but I'm sure you've done a lot of good learning at home.

Remember, wash your hands until they're clean! Even though I am not your teacher next year, I know you will have a lot of fun and show everyone what an amazing class you are! Never stop being you! Thank you to each and every one of you for being the best class I could wish for!

See you soon,

Rebekah

Congratulations!

Congratulations to Kingfisher Class

for having had a fantastic year!

Well Done!
