

L.O. I can follow instructions to cook scones.

L.O. I can colour within the lines.

On Friday it was VE Day. This is a day that we celebrate the end of the second world war. A lot of people fought in the war to keep us safe, so this is a time to remember them and be thankful for them. People celebrated by having street parties and eating afternoon tea. Throw your own VE day party by making some scones and decorating some bunting!

Scone recipe:

Ingredients

250g Self-raising flour

2 tablespoons sugar

225ml skimmed milk

75g mayonnaise

Method:

1. Mix the flour and sugar.
2. Stir in milk and mayonnaise.
3. Spoon into muffin cases.
4. Cook at 180C for 25 minutes.
5. Enjoy with jam and cream!!

Decorate the bunting and hang it up where you live!
This will help it look like a street party!
