

*Make this colourful Recycled Tin Can  
Windsock kids craft with supplies you have  
at home!*

## HOW TO MAKE RECYCLED CAN WINDSOCKS

### SUPPLIES NEEDED:

- Clean Recycled Can (any size will work!)
- Acrylic Paint & Paintbrushes (if you have not got any glue draw a design on paper and stick around the can)
- PVA Glue
- Assorted Ribbons (you could also use string, wool, etc.)
- Optional embellishments like glitter, stickers, gemstones, sequins, etc. as desired
- Masking Tape or Duck Tape

*Tip: line the inside rim of the cans with a layer or two of thick masking or duct tape to avoid sharp edges!*
