

## Summer 2 Term Week 2

### Exploring and painting rainbows

#### What you need:

- An old cd
- Paints or you could mix spices, herbs or food colouring with mayonnaise or salad cream to make different colours.
- Brush
- Big clear cup or bowl
- Torch
- Paper

#### What to do:

1. Hang the paper up on the wall.
2. Place the cd in the clear cup to keep it in place.
3. Reflect the torch on the cd until you can shine a rainbow onto the paper.  
Move the cd around to help achieve this.
4. Explore and talk about the colours you can see in you rainbow.
5. Prepare the paint colours or mix the ones you want to use.
6. Create your own rainbow using the paints and brush.
