

**What is a Bad Touch?**

**A bad touch is when someone tries to kiss**

**you or touch your body on your thigh area, on**

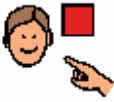

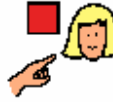

**your butt, or your genital area. This is called an**

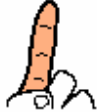

**inappropriate touch.**

 Someone  could also ask you  to kiss or  touch

 his or  her  thigh,  butt,  genital or  breast.

A  bad  touch also  hurts you  like  hitting,  punching

 kicking, or  poking. The  person  asking you  to do

a  bad  touch could be a  boy or a  girl.

He or she may try to scare or threaten you

so you will do it. Even if they tell you it's

a game and not to tell don't be afraid to

tell someone. Even if you know the person and he

or she is giving you a bad touch, don't be

afraid

to

tell

someone.

Take

his

or

her

hand

away

from

you

and

shout

loud

"No, don't

touch

me!

I

don't

like that!".

Run

away

from

him

or

her

as

fast

as

you

can.

Go

tell

someone

like

Mom,

Dad,

sister

or

brother or

your

teacher

and

ask

for help.

**This is the safe thing to do.**

**Your body belongs to you. No one should touch**

**you if you do not want to be touched.**
