

Term Dates 2022 – 2023

Tuesday 6th June –
Friday 21st July

A WELLBEING MINDSET

It was wonderful to see so many parents and family friends sharing our Sports Day yesterday. We were so lucky that the sun shone so that we could enjoy being outdoors and our children really enjoyed having so much support from you all. Thank you for those parents who took part in the egg and spoon race to round off the event and for the support you all gave to your children by helping them participate in the activities.

Rebound Therapy

We were delighted this week to receive the news that we have gained a Centre of Excellence Award for Rebound therapy. Carlos Teixeira has been spearheading Rebound Therapy for many years, with Youcef gaining his qualification some time ago. We have managed to train more staff to deliver the therapy and the Award acknowledges our commitment to providing interventions and therapies to help our children thrive, be ready to learn and to make progress.

Lego

We are delighted to have won an enormous box of Lego for our children to use for Lego therapy, DT and self-occupation. This has come via Comic Relief and you can see Chance below already making good use of it. Money is so very tight at the moment that any additional resources we are gifted are gratefully received.

Art Exhibition

We had a visit from the Mayor this week Councillor Lester Buxton who came to meet Carter who was hosting an Art Exhibition of his work. The Mayor was very impressed with the work that was on display and chose Carter's interpretation of Her late Majesty Queen Elizabeth II. He said that he will share it with the Deputy Lieutenant in Haringey. Carter has also been commissioned to create a picture of the Mayor himself.

Many of the pieces were on sale and Carter chose to use the money to treat his friends in his class to an outing before the end of term. An amazing total (more than £150) was raised. Our children have so many different talents and we are delighted to have every opportunity to showcase their achievements. A big thank you to everyone who took the time to help Carter create the exhibition and those who came to view it.

Goodbye

We will be saying goodbye to two colleagues at the end of this year. Maria Preftitsi is moving to be Head of Music in an Enfield Primary School and Marcia Belle is retiring after 25 years of service as a Support Assistant in Haringey. Both will be sorely missed as they have contributed so much to the Brook over the years but we are delighted for them both and know that they will continue to keep in touch with their Brook Family .

End of Term Dates

Many of our classes are planning exciting trips to celebrate the end of term and you will have received information about these – we have other events happening too to which you are more than welcome to join us and the dates are given below.

Best wishes

Maureen and the Brook Staff

**Dates for parents:**

Sat 8th July

Weds 12th July

Tues 18th July

Wed 19th July

Summer Fayre/Festival

WOW assembly am

Year 6 leavers' assembly
