

## ACCOMODATION

We have 43 rooms in total with 31 in the main building and 12 in the [Korsakoff](#) Unit.

The main Home consists of four lounges two of which are smoking, two dining rooms, three lifts and wheelchair access.

Being as the Home was originally for ex Seafarers we call our rooms "Cabins".

There are washing/toilet facilities in all our *Cabins* and we have recently installed *en-suite* facilities and decorated a number of our cabins with plans in place for more cabin refurbishments.

Our specialised Korsakoff Unit houses 12 residents. Opened in 1998 we were one of only two of these units in Scotland. The Korsakoff Unit has:

- 9 Cabins with washing/toilet facilities
- 3 single cabins
- 2 lounges
- 1 dining room
- Designated smoking area overlooking the garden
- Beautiful enclosed gardens
