So.... A Christmas Party to organise?

Welcome to our Party Organisers Guide

For some of us, organising the annual get together can be a nightmare, who's coming, getting deposits, chasing menu choices, and by the time your party arrives, you just want it to go smoothly.....or just go! Well we hope that with our help and advice, this years party will be easier to organise, and leave you with happy memories and grateful friends and colleagues.

In case you don't know! We're situated on the A4, ideally placed only a mile from the town centre. Be it lunch or dinner, for your party from 2 to 80. We are looking forward to ensuring a fun and quality Christmas Party season and then a successful New Year for all our customers old and new!

So go on give us a call, and take the first step to a stress free party

So here's our simple guide, which we hope proves useful!

Choose a venue.... Well we'd like to think we have that covered,

Ring and/or pop down and discuss possible dates.

Book your chosen date for lunch or dinner.

Use this menu and pre-order pack, to ease the stress!

Circulate the menu and get commitment by asking for a deposit within 2 weeks.

Approx. one month before your date, get your party's menu choices, and chase any deposits not yet received, and send us your group's deposit.

Fill in the choices on your master copy and chase any stragglers!

Send in your pre-order no less than 10 days prior to your date, **(taking a copy for yourself please**, to assist those memory challenged on the day!)

Then relax and allow us to treat you to a culinary delight!

If you have already booked your party for this year, don't worry, there's always next year! So why not call, and we'll happily add you to our mailing list and send you regular updates of future gourmet dinners, special champagne weekend breaks, Next years Christmas Parties, and more.

We really look forward to seeing you soon!
