

We have a vacancy in The Elms with the self-contained apartment known as Flat F.

Residents will be over 60 years of age and capable of leading their own lives.

We like the residents to support the aims of the trust as set out in our website and to enjoy taking an active part in the life and events of the Manor Trust.

The monthly rent includes heating and hot water, with the resident being responsible for their own electricity, contents insurance and cleaning. Residents have the use of the garden jointly with the other four residents and there is off the road parking available.

The let is subject to letting agreement and an initial deposit that is placed in a TDS.

The photos below show the flat when empty, and so do not depict the opportunity for making rooms homely without some imagination.
