SCI has acquired the finest football pitches anywhere in Weymouth - The Redlands Community Sports Hub which offers a first class surface for the festival with professionally prepared pitches. You can be assured of quality pitches as during the summer the ground is host to cricket for Dorset.

The Festival

All matches are played on quality grass pitches at Redlands Sports Hub who have their very own groundsman to ensure a high level of surface for the matches. Facilities at Redlands include toilets, changing rooms, catering, first aid, parking & more besides.

The tournament will be overseen by a very experienced team of SCI officials for the weekend all with at least 20 years experience of working with SCI.
