

Mosaic Clubhouse supports people who are living with mental health challenges in Lambeth.

Mosaic's approach is built on the internationally-recognised Clubhouse model, which embeds co-production between staff and members (our service users) throughout all activities.

We are open 9-5pm, Monday to Friday, if you would like to become a member, or know someone who might, visit our website or call us on 020 7924 9657.
