

We are planning to stay open (subject of course to government guidelines) whilst we can to offer takeaway food and fresh produce, as it has become apparent that there is a very real need for this service in our community.

**Moving forwards, we will aim to produce a new menu every Wednesday on which we will list for the forthcoming week:**

1. Our takeout dishes
2. Our homemade breads
3. Our suppliers' fresh produce boxes- Currently meat and veg/fruit boxes are available in a variety of sizes
4. Chilled meals to cook/freeze at home
5. Sundry items on request (e.g loo roll!!)

This is subject to change as it is somewhat dependent on produce availability and government guidelines which can clearly change very quickly.

**Our operational guidelines will be changed to reflect the latest government Coronavirus safety advice and so:**

1. All orders must be pre-ordered
2. There will be a maximum of one customer allowed on the premises at any one time
3. Payment should be made by contactless cards, apart from exceptional circumstances
4. Our doors will be fixed open to avoid the use of handles etc
5. A safe distance of 2 metres will be maintained

**If any customer is displaying any of the Coronavirus symptoms, we request that they please stay at home.**
