Terms & Conditions (**must be signed**)

The booking is accepted based on the information provided by you on this form and is subject to agreement of these conditions. Any alteration to details you have provided on this booking form may lead to additional charges.

Any deposit paid is non-refundable, but transferable if we are available on your newly chosen date.

The outstanding balance of all bookings will be payable 30 days prior to the date of the booking.

Full payment will be required should the hirer cancel within 3 months prior to the date of the booking.

The running time for the chocolate fountain is between 3 to 4 hours which will be agree at outset any additional time will be at an additional cost to the hirer

We will required to be at the venue 2 hours before the dipping starts to set up and melt the chocolate.

We are unable to provide a chocolate fountain to run outdoors, unless situated within an enclosed marquee and away from open curtains. Any slight breeze will affect the chocolate flow and it becomes a magnet for flying insects.

Each fountain when fully loaded with chocolate can weigh over 120 lbs. The Hirer will be required to provide a suitable sturdy and level table on which to locate the fountain. We recommend a 5ft round table to place the fountain and surround.

A white table cloth will be provided to place under you illuminated display.

A 240V electrical socket will be required within 5 feet of the fountain. If the fountain is to be located in the middle of an open area, be aware that trailing leads may be necessary. Any such leads will be taped to the floor wherever possible, however although all care is taken, no responsibility for accidents can be accepted. Our recommendation is to have access from one side of the fountain only.

The quantities of dipping items provided by the Company is dependent on accurate guest numbers being advised by the Hirer. If these numbers are incorrect, no liability will be accepted for any decision to shorten the dipping time due to non availability of dipping items or to simply not set up at all.

Force Majeure. The due performance of this contract is subject to alteration or cancellation by the Company owing to any cause beyond their control. Liability shall be limited to a full and complete refund of all monies paid. The Company cannot be held responsible for any equipment failure, nor circumstances beyond its control (including bad weather such as snow and ice), which may result in the inability to fulfil its contractual obligations.

The Company cannot be held responsible for any loss caused by changes of venues, times or dates made by the Hirer unless written notification is given to the Company. This advice must be at least 7 Days before the event.

Any out of pocket expenses incurred by the fountain operator on the day of the event (ie Car Parking Fees or any other expenses that were not expected, or we were not previously made aware of) will be charged to the Hirer.

**This is not a hire purchase agreement.**

During the continuance of the Agreement, the fountain and accessories remain the property of the Company at all times and the Hirer shall not sell or offer for sale, assign, mortgage, pledge, lend or otherwise deal with the equipment and shall take all reasonable precautions to safeguard the equipment.

**The Hirer's statutory rights as a consumer are not affected.**

**The Hirer agrees to these Terms and Conditions.**

I/We have read the terms and conditions and agree to the terms and conditions and knowingly
