

Pentland and Cairn

Stronger together; better for tenants

Pentland Housing Association are exploring the possibility of a transfer to Cairn Housing Association. We think this change would be in the best interests of our tenants and other customers. This means combining the strengths of Pentland and Cairn into one organisation.

This move would bring considerable benefits to Pentland Housing Association tenants, including:

- An affordable rent guarantee
- Guaranteed investment in tenants' homes
- Continued local services from an office in Thurso
- The opportunity to become part of a larger organisation, with greater resources and financial security

The proposed transfer will depend on the outcome of detailed work and partnership discussions with Cairn over the coming months. The final say, however, will be with Pentland's tenants, in a formal ballot next year. You'll have opportunities to get involved and we'll keep you informed every step of the way.

We have appointed the Tenant Participation Advisory Service to provide you with independent advice and information. Look out for an invite from them for our first consultation events where you can meet the staff and have your say on your priorities for the future of our homes and services. In the meantime, if you would like to get in touch please give us a call on 01847 892 507, or call TPAS on 0141 552 3633.
