Wessex Chalk Stream & Rivers Trust

The Wessex Chalk Stream & Rivers Trust (WCSRT) is an established environmental charity, dedicated to the guardianship, protection, enhancement and maintenance of healthy, functioning ecosystems within the river catchments of the Wessex region. Our geographical coverage extends from Dorset in the west, through Wiltshire to Hampshire in the east and encompasses the Dorset Stour, Hampshire Avon, Test, Itchen and Meon catchments - some of the largest jewels in the crown of English chalk streams.

The vision of WCSRT is for healthy rivers within the Wessex region, which are valued and nurtured by the community and which exhibit:

- High water quality and sustainable natural flows
- Fully functioning ecosystems which link their rivers and valleys
- Sustainable and naturally abundant wildlife, and
- Resilience to climate change and future stresses associated with social and economic development.

GIFT AID

I want WCSRT (Registered Charity No. 1130991) to reclaim tax on subscriptions/donations paid in the last four years and those paid in the future. I understand that I must pay an amount of income tax and/or capital gains tax equal to the tax reclaimed by all charities to which I donate in the tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand that WCSRT will reclaim 25p of tax on every £1 that I have given.
