# Entry requirements

## 1. Academic achievement

- A typical student would have the equivalent of the British A-levels. The minimum requirement is ABB.
- **Local national curricula:** this corresponds to an average grade of 80% as well as 70%+ in subject specifics => check our website
- **IB Diploma:** the minimum scores vary between 35 and 38 according to the degree chosen.
- For some of our degrees we will also need to look at the subject specifics/HL levels you have taken before.

## 2. Outside of school

As well as your academic achievements, we will look at:

- Your proficiency in English (TOEFL, IELTS, Duolingo tests...);
- Your engagement in past or present extracurricular activities (sports, civic engagement, cultural interests, community service, for instance);
- Your motivation for joining Forward College.

Our social media channels:

A woman with short brown hair, seen from behind, stands in the center of a courtyard. She is looking up at a large, ornate stone archway that frames a clock tower in the distance. The archway is flanked by two-story yellow buildings with white window frames and black balconies. The scene is brightly lit, suggesting a sunny day.

# Thank you.
