A woman with shoulder-length brown hair, wearing a light-colored, short-sleeved, patterned dress, stands with her back to the camera in the center of a courtyard. She is looking towards a large, ornate stone archway that frames a clock tower in the background. The clock tower has a large clock face with Roman numerals and is flanked by classical columns. The courtyard is surrounded by multi-story yellow buildings with white window frames and black wrought-iron balconies. The sky is a pale, overcast blue.
